

# YOUth got something to say?

“I believe that by giving youth a voice, they will become role models for others and will truly become attached to their community because they have a chance to make a difference.” -A.S.\*

Community Tampa Bay and The Children’s Board of Hillsborough County are looking for youth ages 15-20 to join us as part of the Hillsborough Youth Collaborative.

We are a group of young people from Hillsborough who want to make our voices heard. We meet twice per month for training and workshops, and will participate in service projects around the community.

Benefits include valuable training, great relationships, food, travel expenses, and a stipend at the end of the summer, not to mention it looks impressive on your resume 😊 . *Interested?*

“I am passionate about equality and activism.” I.M.\*

“I would love to find a way to connect parents better with their children, and also help kids stay clean and off the streets.” -M.S.\*

“Volunteering gives me the chance to meet a wide range of people, and for me to show my skills and apply them to help others.” -A.P.\*
